Re: Rejection of claims, specifications, and drawings

In response to your correspondence of 01-25-02, I have included in this material, a revised version of the claims for patent application #091788,098, safety lock for semi-automatic handguns.

There are also included in this material a more detailed set of drawings, abstracts, detailed description, brief description of drawing, and background of the invention. If the corrected claims are not satisfactory, I would like to request your assistance in correcting them.

Sincerely,

Berlin Rollins
